Potentate Message

Greetings Everyone,

As I am preparing to write my very first article as the 2026 Potentate of Zuhrah Shriners (for just over 12 hours), I struggle with the words to put down on paper to what that really means. I am honored to be intrusted to this high honor within Zuhrah and look forward to a great year. As I have mentioned at various times and to various people, we have work to do as we look towards our current year and to the future, but as Shriners, we are going to have fun on the journey.

As I worked on a few items for this upcoming year, I had the opportunity to think about my pin design. It is a simple design on the pin as one of the best activities that I get to be a part of is our Annual 0.05K Camel Crawl that Zuhrah started in 2021, in my hometown of Montgomery, MN. So, how could I not have a camel on the pin. The pins are now available and are at the Shrine Center or reach out to a member of the Divan to get one.

We also have a challenge coin for 2026 as a fundraiser. One side of the coin is the 2026 pin design and then the opposite side is the square and compass with "Virtus junxit mors non separabit" meaning "What virtue has joined together; death shall not separate" around the edge. If you wish to purchase a coin for \$20, please let me know or reach out to one of the Divan members. 100% of the proceeds will go towards our General Fund.

Steve Scheffert

There are several events that take place during February and March, and we hope that you will join us for them. We are gathering at Zuhrah Shrine Center on Sunday, February 8th for our annual Super Bowl/Chili Cook-off. A group of Zuhrah Shriners will be traveling to Grand Forks, ND as we attend the Midwest Shrine Association (MSA) Winter Business Session. On Saturday February 28th at 1:00 pm, we are going snow tubing at Buck Hill, in Burnsville, please bring the family for this fun event. Lady Kathy and I, along with other Shriners and guests will be traveling to Napa, CA from March 24th to March 29th for the 2026 Potentates Trip. For many of these events, please continue to check the eRabian for additional information and to register if required. If you didn't happen to obtain a calendar book at Zuhrah's Ball, then join us at Zuhrah for an event or meeting to be able to pick up a book or two.

Lastly, I want to thank a couple of individuals, although there are so many others who have helped me along the way. First, I want to thank Illustrious Sir Clifton Bailey, our Jr. Past Potentate, for his past years of service, leading Zuhrah in 2025 and helping us work towards a successful future. I want to thank my parents, David and Dorothy, and Kathy along with our daughter Amanda. Their support over the years on this journey has been tremendous and I could not have made it without their help.

We look forward to seeing you during 2026.

Fraternally

Jennifer's Jottings

Hello!

By the time you read this we will all be recovering from Zuhrah's ball weekend. At this time I am super excited to see what people are coming up with for outfits for Friday night's sci-fi open house! At the ball, calendars will be starting to go out. If you need one, contact the office. There will be extras there for pickup and someone should be making sure they have them to hand out at club and unit meetings. If we need to mail a few we will be happy to do that.

Thank you to those that have contacted the office saying they are willing to bartend for outside rentals. Last year we brought in over \$5000 from outside groups for room rental. That does not include the extra money that has come into Zuhrah from the Oasis sales at these events. Some of our best bar nights this past year have been from other events. When doing any fundraising you are always looking for Other People's Money and we are already on track to do about the same or more this year again. As I've mentioned before though, that cannot continue to happen without some more help. Besides bartending, help is sometimes needed for setup and teardown before and after these events. And sometimes they really just need someone else in the building. Please let the office know if you are willing to help out sometimes. It can be a way to give back and make money for Zuhrah with your time and not your checkbook.

Thanks to all who got their dues paid. At the time of this printing we have 66 nobles who have not paid their 2025 dues yet and 257 that have not paid this year's dues. The total for those moneys owed is \$48,908. It is an odd number thanks to a few setting up payment plans to help them start getting caught up. Anyone else wanting to do that, or to start paying next year so they don't have all their dues owed at once, contact the office and I can help you go over options and maybe set up a reoccurring payment.

Thank you!
Jennifer

MARTY
BARTLETT'S
BIRTHDAY

A New Year, A Steady Gavel, A Renewed Spirit.

January stands as a meaningful milestone in the shrine. It is the season when temples across our fraternity transition leadership and begin a new temple year. It is a time steeped in symbolism, when the gavel is passed from the outgoing Potentate to the incoming. That gavel is heavy—not with weight alone, but with spirit, tradition, responsibility, and direction. It represents continuity, trust, and our collective commitment to move the temple forward.

As we begin 2026 and ring in the new year, we must look ahead with purpose and optimism. We celebrate Zuhrah alongside our brothers, our families, and our friends—those who support us, stand beside us, and believe in what we do. The strength of our temple is not found in one individual, but in the shared dedication of the nobility who give their time, talents, and hearts to this great fraternity.

Each year brings new opportunities to engage with one another. Whether through our units and clubs or through events at the temple, these moments of fellowship are opportunities to come together, strengthen bonds, and renew our sense of brotherhood. Fraternal engagement is not merely a benefit of being a Shriner—it is essential to who we are. When we gather, we reinforce the values that unite us and remind ourselves why our temple matters.

In my travels across Shrinedom, I have witnessed inspiring ways other temples create opportunities for the nobility to engage, drawing deeply from the spirit of brotherhood. Many of these opportunities come through acts of service within their communities. Service heightens our visibility, encourages collaboration, and builds a strong sense of esprit de corps. When we work together for the good of others, we strengthen our temple from the inside out and reaffirm our commitment to the world's greatest philanthropy.

As we look to the future, we must also be intentional about investing in our membership. It is time to move beyond simply talking about membership and instead adopt a solution-focused approach. Growth and retention require action, creativity, and personal involvement. Every Shriner has a role to play—by inviting, mentoring, encouraging, and ensuring that every noble feels welcomed, valued, and engaged. Our future depends on the relationships we build today.

Finally, thank you for choosing to be a member of Zuhrah. Thank you for the time you give, the service you provide, and the pride you carry for our fraternity and the world's greatest philanthropy. Together, as brothers, we move forward into this new year—guided by tradition, united in purpose, and inspired by the endless possibilities ahead.

Shriners Children's Twin Cities Earns Press Ganey Recognition

We are very proud to share that Shriners Children's Twin Cities has been recognized with a patient experience award by Press Ganey. Across the system, six Shriners Children's locations received a total of nine Press Ganey awards. These awards honor top-performing healthcare organizations that consistently elevate human experience through proven performance in patient and consumer experience, employee and physician engagement, clinical quality and safety.

Shriners Children's Twin Cities was honored with HX Guardian of Excellence Award® highlighting healthcare organizations who have consistently reached the top (95th to 99th percentile) of their respective databases for patient experience, employee experience, physician experience, member experience, clinical quality performance or consumer experience. This marks the first year of Press Ganey recognition for our location — a meaningful reflection of the consistency, teamwork and care you bring to families every day.

"This distinction belongs to our entire team. Every role, every interaction and every moment of care contributes to the experience our patients and families feel when they come through our doors. Our commitment to listening, learning, and continuously improving the patient experience truly embodies the Shriners Children's mission."

— Craig McGhee, Regional Administrator.

This acknowledgment is especially meaningful because the Guardian of Excellence® award is given only to organizations that demonstrate the highest levels of performance year after year. Shriners Children's Twin Cities was recognized specifically for Patient Experience and Medical Practice. Whether you're caring for patients directly or supporting that care behind the scenes, your work makes a difference — and our patients and families feel it.

"This recognition, and the feedback we receive from our families, truly matters," said Chief Medical Officer Fran Farley, M.D. "It reflects how our teams consistently go above and beyond — from the moment families come through our front doors through every interaction in their care journey — delivering thoughtful touches that shape the patient experience and inspire families to recommend our care. High patient satisfaction is a key measure of our success in delivering the best care to as many children as possible."

Thank you for everything you do to support our mission and for the compassion, pride and dedication you bring to your work every day.

NEW YEAR'S DAY BRUNCH

Morris "Morrie" Toretsky

June 12, 1927 – December 30, 2025
(by Mark Toretsky)

On Tuesday, December 30, 2025, the black camel paid a visit to our beloved Noble Morrie Toretsky, he was 98½ years old. Morrie was a member in good standing of Plymouth Lodge #160 when he crossed the hot sands to become a Shriner in Zuhrah Temple on May 20, 1955. Then in the late 1960's to early 1970's he joined the Zuhrah Oriental Band. In 1972 Morrie went on his rookie trip with the Oriental Band to the Imperial Session in Dallas, Texas. He would go to every Imperial Session until he was in his upper 80's to early 90's. Then he would attend only the Imperials that were in Minneapolis. Morrie also attended many Midwest Sessions, too many to mention. Morrie marched and then subsequently rode on the Oriental Band's float in over 100 parades in Minnesota and Wisconsin and attended over 100 Ceremonials. He was one of the hardest working nobles in Zuhrah Temple.

Morrie was the Production Manger of the balloons for over 50 years at the Shrine Circus. At the Zuhrah family picnic, he set up and served soda pop in the Coca-Cola trailer. He would use his skills as a butcher to carve the roasted pig at the Oriental band's family picnic and carve the turkey at Oriental Band's Christmas party. At the Potentate's Ball he not only helped set up the Oriental Band's hospitality room, but he also turned his own room into one where he served his famous cream cheese and olive dip that everybody loved. Morrie held some offices in the shrine.

He was president of the Zuhrah Oriental Band in 1987 and 1992 and was on the national committee of the Association of Shrine Oriental Bands (A.S.O.B..) where he was the chairman of the 1st 100 Club. In addition to holding those offices Morrie was a Zuhrah Workhorse and a charter member of the Order of the Quetzalcoatl Cey-Note Number 23, and he received the Potentate's Medal for his exceptional hard work and dedication to Zuhrah Temple and the Oriental Band. Morrie will be missed by those who knew him.

Pressure

to create something or draft something is consistently required as we age. Simple details need to be written down for the brain pan to recall. I spend half my days trying to find my coffee cup, for goodness' sake. Not that I'm thinking about a whole lot, it seems that the little bit I am thinking is deeper than it used to be, or maybe NEEDS to be?

Therefore, it takes me longer to finish things and my frustration sets in. I don't mean to be short with people, but I struggle with myself and there is the rub in that I'm not upset with people so much as I am with myself. Tough to lash out at oneself publicly or they'd haul me in for a psychological evaluation. Not that I shouldn't have one... maybe...I don't know... let's table that.

From holding oneself to a standard and achieving the same doesn't mean others will meet what you set for yourself. Nor should you expect them to do. Each of us has our own capabilities and strengths and it would afford us all to learn how to cultivate those capabilities and strengths out of competent individuals not unlike we do our horses.

It has been stated that the human mind knows everything but not every human is aware of how much they know.

Teachers, and those who can lead, excel at this talent to bring the knowledge out of people more than they instill. The hard part lies in waiting for the lightbulb to start glowing. All of this takes place with the aid of the 4 cardinal virtues.

Temperance that we don't lose patience in our grasp on the present.

Fortitude that we may see the task through to the end despite adversities and/or any unpleasantry.

Prudence that we regulate our conduct for the betterment of the task.

Justice so that our efforts will culminate in the desired outcome which is fair and righteous to all.

Ranch

Stewardship secured a snail's pace with the gales of November purging pleasant temps and most everyone's raw ambition to dawn their big pants and brave the elements. FYI, Target is having a sale on them for those who are interested. Just say'n.

Plenty inside items to attend too for those who would like to partake.

As of last Thanksgiving the herd was limited to their respective Winter paddocks for the next 5 months. Horsemen would like to have an educated, fact based, conversation as to the opportune timing on going back out to enjoy the pasture life while we have time indoors. Many schools of thought behest best laid plans, then personal emotions shoot SOP's in the foot at the last minute.

Looking to getting our newly acquired equipment installed in the wall of the Horsemen Club Room before this article's issuance. It would be a great asset for Club Room use and parades. Looking to install a purification system, before the final water connection, in hopes of clean ice.

We are also looking at a new front entry door. Now granted, the entire front of the building is antiquated, however a 40-year-old front door, commercially used, is looking past tired. Why just last spring, Art started referring to its worn appearance as Von Schtupp'd.

Post Halloween revealed an oddity rarely seen here at the ranch. Rob Stewart personally attested to his last vision of such a sight the year after his admission to Zuhrah Shrine Horsemen, 2012. Brings a tear to the eye that more weren't privy to such a spectacle.

Well let's not get too excited. It took Horsemen 40 years to get grass growing on the front pasture next to the highway. Not many things at the Ranch move faster than Larry MacDonald's Maple Syrup.

Trail Riding is still pleasurable, even in winter. Nothing like a crisp winter ride to lose yourself in the tranquility of our Creator's white blanketing the vast expanse of woods while your thoughts are only broken by snow, compressing under hoof, as you ponder life's travails and gifts.

Ending the year with a full barn. We have always kept ourselves short of what we are permitted allowing a cushion for members who may find that horse of a lifetime. It would be disheartening to not have room in the Inn for something so special.

Unit

elected a line of officers and two positions on the BOT for Horsemen Stables. We extend a sincere thank you to Noble Scott Udell for the years of service and have asked for his guidance and advice on such matters that may be in need of more expertise than is at the table. Scott is and will always be a Huge asset to Shrine Horsemen.

Installation of Zuhrah Shrine Horsemen was held on January 10th .

Fundraising

Have a relative time period in mind for our 4th Annual Fund Raiser. As cold weather is always in our minds for late fall, the members close to the hub of the activity are contemplating the third weekend in September. We

are trying extremely hard not to get into October again.

While the numbers have been finalized for our 3rd event, we plan to have a "debriefing" meeting while also focusing to increase the number of sponsorships and amenities provided while also expanding marketing and membership involvement.

Tentatively mark your calendars so you can come out and enjoy an evening at the Ranch! Horsemen hope to start the numerous meetings and planning discussions shortly after the holidays.

So, go to your calendars and at least get the 3rd weekend in Sept., tentatively penciled and the first couple weekends in Oct., for the Horsemen's Fundraising Event. Keep watch for final notification to come out in the next article. Should your company or individuals want to help with sponsorship or ticket sales please contact Horsemen Fundraising Chairman Larry MacDonald for detailed information. It is again our current plans to have Mitch Gordon as our featured entertainment. Look them up online @ <http://www.mitchgordonband.com> or Mitch Gordon Band on Facebook.

Cowboy Breakfast

Our first breakfast of the year will be March 8th, 2026. Quarterly Breakfast are slated for June 14th, Sept. 13th, and finally on December 13th, 2026.

Horsemen Stables will afford you the experience of being around horses and those of us who love them.

We offer a Cowboy Breakfast, horse rides, hay wagon, cart ride or quite possibly a sleigh ride if the snow is on the ground. Be sure to invite your family, friends, Neighbors and get your picture taken forked over one of our Fantastic Equine Mounts. Everyone welcome!

Thank you to all friends, family and members who attend, serve, wrangle, help with clean-up, prepping and cooking Cowboy Breakfast. Our Executive Board, along with membership greatly appreciate everyone's

HAPPY NEW YEAR 2026!

We at the Zuhrah Drum Corps hope that your New Year plans are off to a successful beginning. And that you are still committed to those New Year Resolutions, whatever they may be. We hope that your Holidays were also a delight and you had time to spend with family and friends.

HAIL AND FAREWELL

Congratulations to Illustrious Sir Steven Scheffert and Lady Kathy for his election as Zuhrah Potentate 2026. I'm sure Illustrious Sir Steve has many activities planned for the year to promote Fun, Fellowship and Fraternity throughout Zuhrah. We look forward to Steve's leadership and wish him a successful year as our Potentate for 2026. We say Farewell to Illustrious Sir Potentate 2025 Clif Bailey and Lady Heather and family. Congratulations, Clif and Heather for a terrific year. We can't thank you enough for all your hard work, time, effort, and dedication to Zuhrah Shrine and Shriners Childrens Twin Cities. From the Zuhrah Drum Corps, we wish you Clif and Heather, "Fair Winds and Following Seas."

ZUHRAH DRUM CORPS OFFICERS 2026

With a unanimous vote, the Officers from 2025 will be returning to lead the ZDC into our 105th year of existence. Josh Sorenson, Captain, Joe Toth, President, Garrett Aalfs, Vice President, John Gomez, Secretary and Mike Leier, Treasurer. Our goal as always is to spread awareness of Shriners Childrens and Zuhrah Shrine thru music. We are musicians and we all love the opportunity to perform wherever and whenever we can. It's a thrill to march down the

street in parades filled with "our adoring fans". You too can be a part of our group, Zuhrah Drum Corps, "The World's Most Modest Drum Corps." We're always seeking new members.

BLACK CAMEL

We are sad to hear of the passing of Larry James Angeles, 76, December 12, 2025. Larry was a Life member of Zuhrah Drum Corps. Larry served as President of the Drum Corps in 2000. Larry was a tenor drummer, part of the "Wall of Thunder" in the drumline.

Alas My Brother. Morris "Morrie" Toretsky, 98, December 30, 2025. Although Morrie was not a member of the Drum Corps, I am passing along this notice because if you have been in Zuhrah Shrine over 20 years you got to know Morrie. He was a wonderful man, a Shriner's Shriner. He was a great supporter of all things Zuhrah. When Zuhrah put on the Shrine Circus, Morrie was there, all day every day the Circus was on. I think he loved it more than the kids did. He will be missed. Alas My Brother

POTENTATE'S AIDE

This is a plug for Potentates Aides. If you have had the opportunity to be asked to serve as an aide for a Potentate, I'm sure it was one of the most rewarding and satisfying experience you can have as a Shriner. Cindy and I have been aides for two Potentates, Al Niederhaus 2013 and Clif Bailey 2025. Both times we were excited to do our part for our Potentate and Zuhrah Shrine. I think the best part of serving as an aide is working with and getting to know people who aren't part of your unit or club. It's a great way to expand your horizons and the best way to do your part to support and assist Zuhrah Shrine. When asked by a Potentate to be an aide please consider doing so.

As I like to say, "it isn't work, if you're having fun doing it."

I hope everyone had a blessed Christmas and an enjoyable New Year. One thing we can be happy about is the mild temperatures we have enjoyed late Fall and into January.

Saturday, November 22, over 45 members, ladies and guests came to our Fall Membership Appreciation Dinner at the Shoreline Restaurant in Battle Lake. Scattered during the program, three YouTube videos giving information about Shriners Children's were shown. We also had sales of tickets for several door prizes that were handed out at the end of the evening. Total income from the ticket sales was \$461.25, and the Board voted to donate the proceeds to the Zuhrah Transportation Fund.

A report was given by Kar Kor Parade Captain Jason Schuetzle, recognizing each of the drivers for their participation this past summer. The "Rookie of the Year" award was presented to Kyle Savage, and Jon Tamke was awarded a plaque for his continued service and commitment to the group.

Four different hospitals were visited in December to distribute toys from the "Tree of Hope". Ron Wilcox, Jon Tamke, and Jason Schuetzle brought the bags of toys to Elbow Lake, Wadena, Perham, and Fergus Falls locations.

On a recent trip to Shriners Children's Twin Cities clinic, a photo was taken of the Auxiliary Ladies with the assortment of Christmas bags and blankets which are sent home with the patients following their appointment.

Saturday, December 20, many of our members helped distribute hams, turkeys, chickens, and racks of ribs to the many families that came to see Santa at the annual Clitherall Santa Day. Club members also prepared and smoked the meat for the free meal provided that day.

Coming up we will be installing our new officer slate Saturday, January 24 at Beach Bums on Otter Tail Lake. This is also our Christmas Party with an exchange of "White Elephant" gifts. Hopefully there will be some fun gag gifts being opened.

On February 28, the roar of modified engines will come to life at a demo derby in Perham, and the Club will be operating a food and beverage stand. Last year's event was a blast and the temperatures were mild. We're hoping for the same again this year.

**Until next time ...

Hello Rod and Gunners,

Our last meeting was on December 10th 2025. This was our annual Christmas party and Officer Installation.

We started the evening at 5:00 with social hour and mingling. We had 50 people attend the installation and dinner! This was a mix of: Rod and Gun Club members, Antique Cars members, Cobra Corps members, 101 members, and Oriental Band members. All the officers from these Clubs were installed in a group ceremony led by then Chief Rabban Steve Sheffert and then Assistant Rabban Ron Wilcox. We also had two other members of the Divan present for dinner.

We collected an eight-foot table full of unwrapped toys for the hospital kids. Thank you to everyone who donated a toy! Dinner was great! We used the same caterer as in previous years. The meal consisted of fried chicken, ribs, mashed potatoes, gravy, mixed vegetables, and

yummy desserts brought by attendees. A special thank you to member Vern Schwalbe who organized and picked up the food. Thank you Vern!!

We played a few games of trivia for gift cards. The game was a variant of heads or tails with contestants placing their hands on their heads if the stated question was true or on their "tails" if the question was false. If you guessed wrong you sat down and the game continued until there was just one person left standing. President Robin and his Lady Cindy did a great job of moving the game along and keeping it fun.

Treasurer Bill Vice ordered new hats for the Club in different camouflaged patterns. There is even a beanie style hat with our logo in the front. This looks sharp and will be a lot warmer than a baseball type hat. Contact Bill if you are interested in a new hat. They are \$20 each. Scott took orders for Club shirts in the Fishouflage camo pattern. The new shirts are in and Bill will get them embroidered and we will get them to you. We ordered extra shirts so if you are interested in a new uniform shirt contact Scott Fredell.

Our next meeting is set for January 14th. This will be show and tell day, bring your favorite hunting, outdoors item or

fishing item to present to the members. It is also our chili cook off competition dinner. Members will bring their favorite chili recipe and the winner will collect the dinner donations!

Please keep in mind the Zuhrah Ball weekend held January 30th and 31st at the Marriott SW, right by the ZSC. Once again the Rod and Gun Club will be co-hosting a hospitality room with the Antique Cars. We will be serving a special science fiction drink and light appetizers. The appetizers will be a mix of dry snacks and maybe candy. No hot appetizers or anything complicated. Zuhrah will have a hospitality room with that food. We will have the minnow races and will need a few Nobles to volunteer to run the races for an hour or so. If we have many helpers, everyone can enjoy the other hospitality rooms. Also at the Ball there will be a Ceremonial on Saturday morning at 9:30 at the hotel. The Rod and Gun Club could be receiving as many as four new members at this Ceremonial. Let's make a big showing by attending the Ceremonial and welcoming our new members in style. Rod and Gun shirts and fez are perfect attire. In fact all the events will be held at the hotel, no driving back and forth to ZSC that weekend.

Our next big event is then the charity Fishing For Life's Holes 4 Heroes ice fishing tournament on Medicine Lake February 7th. This is a fundraiser and dedication event to our military. Free holes for military members and their immediate family. The Rod and Gun Club has volunteered to be "taxi" drivers that day. We will be transporting contestants on and off the lake using four wheelers and trailers.

If this sounds like a fun Club to join, please contact one of the Officers:

Greetings All Nobles and Noble Ladies,

The Funsters hope you have a great time at the Potes' Ball and enjoy yourself.

And speaking of **LIVING THE GOOD LIFE**, if you have ever wondered what it's like be a Shrine Clown? Being a Shrine clown is great because it combines fun with purpose. You get to spread laughter at parades and events, bringing smiles to people of all ages while representing the important mission of Shriners International and Shriners Children's hospitals.

It's a creative outlet that lets you be playful, imaginative, and a little silly—all for a good cause. Just as important, it builds strong friendships and camaraderie among fellow clowns who share a commitment to service.

Being a Shrine clown means making a real difference by doing something joyful, proving that laughter truly is a form of kindness.

The Oasis was a busy place during the Christmas party/Installation.

Then Chief Rabban Steve Scheffert addressing the group on our installation night December 10th.

Officer Elects—Rod & Gun, Antique Cars, Cobra Corps, 101, and Oriental Band

We would love to have you join us for a parade or two. We have extra outfits and accessories and can make you up and be clown worthy! Just mention it to me (gerrybrandt@me.com) or any of the Funsters. And this ESPECIALLY applies to ZUHRAH LADIES and children. We would love to have you parade with us! And Miss Pippi, Patty Cakes and Tickles would enjoy more female comradery.

ZUHRAH BAND

Benefits for Zuhrah Families

Keeping our different groups busy is not always a problem. The German Band played for lunch at Lake Harriet Lodge twice and a concert at the Masonic Home for their OktoberFest. They served treats, beer, etc... What a great reception we had.

The Dixie Kats have been playing for Breakfasts, New Year's Day and a concert at the Masonic Home. The Flames ALSO had a great reception as we played our Holiday Concert at the Masonic Home. This has been a tradition for the Flames since the 90's. Zuhrah Band has played the Shrine Circus since the 50's.

The last several years we have played for the Osman Circus. This year there is no circus as they are remodeling the Hippodrome. This gave me the thought that might be a great chance for your sons and daughters a chance to play at the circus. I played my first circus at the age of 15. It was a great experience and I learned a lot to improve my playing the trombone.

I have used Shrine kids in the past who went on to become Masons. If you have a son or daughter or grandchild in grades 9-12 who are interested in playing, I will try and arrange a special rehearsal to have them attend. Send me a note at Zuhrah.

Don't forget the Flames St. Patrick's Day Dance on Friday March 20, 2026 from 7:30-10:30 at the Zuhrah Shrine Center. Here's a chance to bring friends, neighbors, family, and potential Shriners for a great evening of dancing. Let's get them in the door!

ISLAND VIBE

Hopefully everyone had a Happy and Healthy Holiday Season as we transition into 2026. Even though the weather is cold and snowy, and the parade season seems like a distant memory the Steel Drum Band remains enthusiastic as we approach the new year. During this period of transition under the guidance of our Director Mark Kipp, our mission to continue to perform quality calypso rhythms for the public was furthered by having our drums professionally re-tuned in October. Thanks to Mark for his effort in getting that done.

Our Holiday Party was held on December 20th at Dehn's Country Manor. It was a fun and moving experience for members and treasured widows alike. Appreciated having 2026 Potentate elect Steven Scheffert and several Divan members present for our officer installation, as follows: President Steven Downs, Vice President William Rosenberg, Secretary/Treasurer Hal Resnikoff. Our Program Director remains Mark Kipp.

On January 1st Nobles and their families enjoyed good food, fun and fellowship at the New Year's day brunch.

On 1/30-1/31 we look forward to supporting our new Potentate Steven Scheffert and Divan at the Potentate's Ball. Congratulations to all.

Sunshine report gladly indicates Mike Rouillard is up and around. Mark is on the mend from his arm surgery. Brian Busch and his lady Gloria, as I understand, are living in an assisted living facility and holding their own. We wish them all well.

The Steel Drum Band is open to all Nobles of all musical backgrounds. It offers camaraderie, fun, and a chance to learn something new. Our plan this winter is to practice starting in January on Saturday mornings at the Plymouth Masonic Lodge 160 in Crystal. We welcome and encourage new members to help us share in advancing the spirit of Zuhrah in 2026!
